

GRADUATING STUDENTS

Graduating is one of life's milestones; you've worked really hard to get to this point. You're no doubt excited that you're finally taking the first step toward your career goals, but it can also be a little overwhelming. Do you have a plan for securing that job? Do you even know for sure what that job will be?

We can help. Whether you're graduating from high school, a training program, or university with your four-year degree, we've got resources that can make your transition to your new career easier.

CareerSource Northeast Florida helps thousands of people each year find a job or a better job. You can access our services online at careersourcenefl.com 24 hours a day, seven days a week. Our website offers career advice, access to Employ Florida, our online job search system, and a calendar of events that will help you in your career transition.

Or you can visit us at one of our [8 career centers](#) in Northeast Florida. We have career centers in Baker, Clay, Nassau, Putnam and St. Johns counties, and two in Jacksonville: one on the Northwest side near Gateway Mall, and one at Beach Blvd. and St. Johns Bluff Road. Our centers are open Monday through Friday from 8:00 a.m. to 5:00 p.m., and you don't need an appointment to come in.

Be sure to sign up for our email list. You'll find the sign up form at the bottom of any page at careersourcenefl.com. We'll send you a daily email with a list of the latest jobs in our system, federal contractor jobs, and information about job fairs and other events. You can also follow us on [Facebook](#) and [Twitter](#) to keep up with the latest news.

At our career centers, you can use our resource room computers for your job search, to research companies, update your LinkedIn profile or work on your resume and cover letter. Our staff can help you with your search and give you information about other services available from community resources and partner agencies. You can also use our computers and high speed internet access to file your electronic unemployment claim or claim your weeks.

If you can't make it to a career center, you can connect with us at any of our Mobile Access Points. Mobile Access Teams were designed for people who have challenges in getting to a local career center. The Mobile Access Point teams rotate daily among churches, libraries, community centers and nonprofit organizations across the region. You can find the schedule of where we'll be at our calendar of events at careersourcenefl.com.

If you're interested in having a partner as you move into your career, talk to one of our staff members about the New Path to Success. We look for motivated jobseekers who are ready to commit to a structured approach to finding a job. If you qualify, you may be assigned to work with a career coach who will help you with research, setting goals, building your resume, preparing for interviews, and helping you get a strong start on your career transition.
