

IS YOUR BUSINESS CLOSING OR PLANNING A MAJOR LAYOFF?

If you are closing a business or one of your locations, and the action will result in mass layoffs, you may need to file a WARN notice. WARN stands for [Worker Adjustment and Retraining Notification](#). The filing of a WARN notice allows us to work with you and provide services to your affected employees. With your permission, we can send a team to inform them about how Unemployment Compensation works and about services for re-training or employment that might be available to them. We can also provide workshops on job search strategies, provide resume assistance, conduct mock interviews, or organize job fairs to help your workers connect with their next opportunity.

Since 1997, CareerSource Northeast Florida has worked with local businesses to help them grow, train, and manage their workforce. We're a team of professionals dedicated to your company's success. Find out more about our organization and our services for business at careersourcenefl.com.
